

## Comparative Adjectives

Name: \_\_\_\_\_

Adjectives that are used to compare two people or two things have special forms.

- \* If the regular adjective has one syllable, add **-er** to the end to make the comparative form.  
(Make the second consonant double if you have a consonant-vowel-consonant pattern word.)
- \* If the regular adjective ends in **y**, change the **y to i** before adding **-er**.
- \* For many regular adjective with two or more syllables, use the word **more** before the adjective, and do not add **-er**.
- \* Note these **irregular** forms: good becomes **better**, bad becomes **worse**, and far becomes **farther**.

Write the comparative form of each adjective.

- |                 |               |                |       |
