We think shouldn't bully each other. We should respect each other.

不該幫別人亂取綽號和性別歧視

Don't ~~bully~~ ~~bully~~ everyone.

Because of this story, I know!

① We can't bully anyone.

② Bullying isn't great.

No, I don't bully everyone,

When I see other people bullying any body.

I ~~talk~~ talk to them: "Don't bullying ~~ever~~ ^{body} some ~~body~~"
, because this is a bad thing.

**This is a story about
the Rose Boy,
a 15-year-old student.**

**He liked cooking,
singing and knitting.**

The Rose Boy liked Sister Fay very much.

Best pots in the world!

Be a lazy beautiful woman.

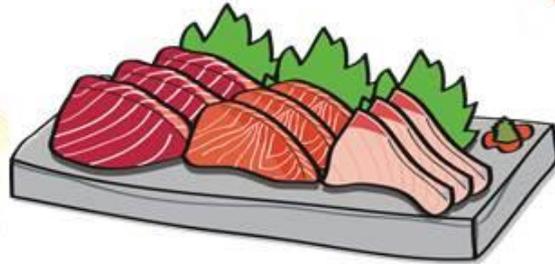

**When he cooked, he
would sing, dance and rap,
just like
Sister Fay
on TV.**

**After dinner, the Rose Boy said,
“Mom, let me
massage your
back and
shoulders.”**

**He wanted to be a
great chef when he
grew up.**

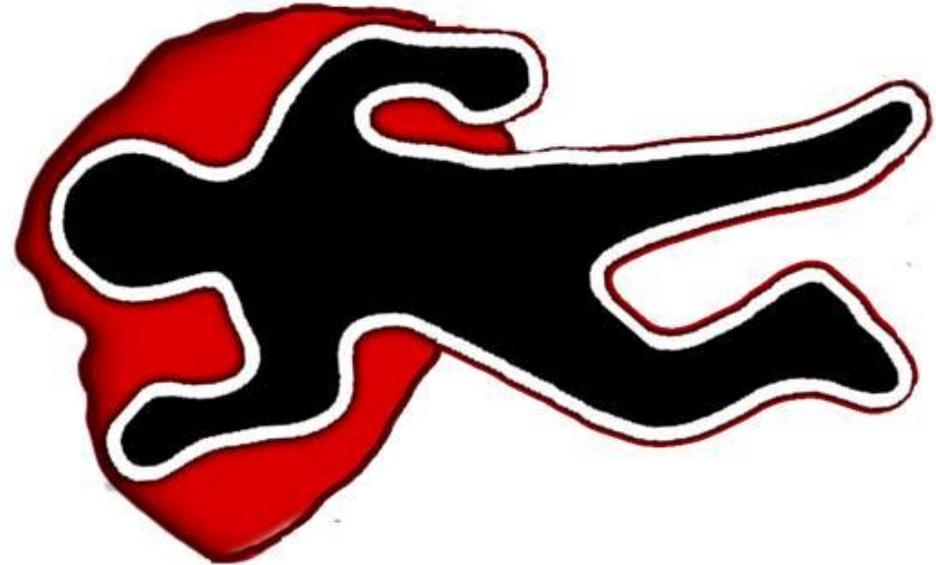

**That's why he always
had some recipe
books in his book bag.**

**Unfortunately,
his wish never
came true
because
something
happened.**

**After a few minutes he
was found lying in a
pool of blood in the
school
bathroom.**

**Clean that
bathroom.**

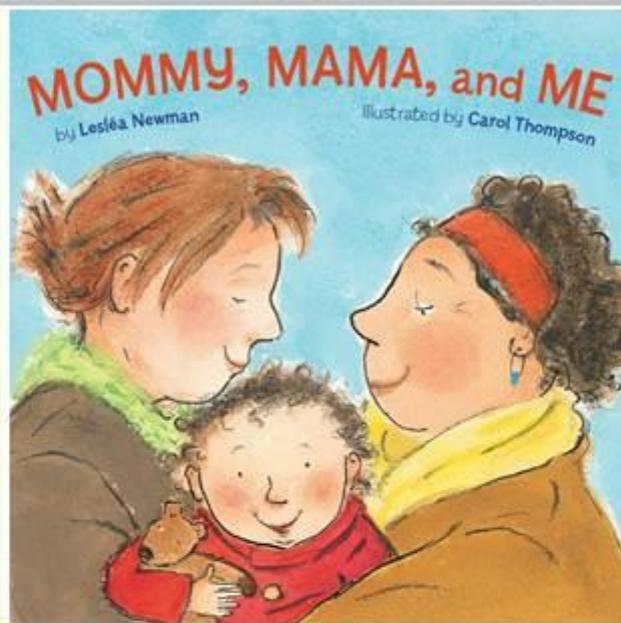

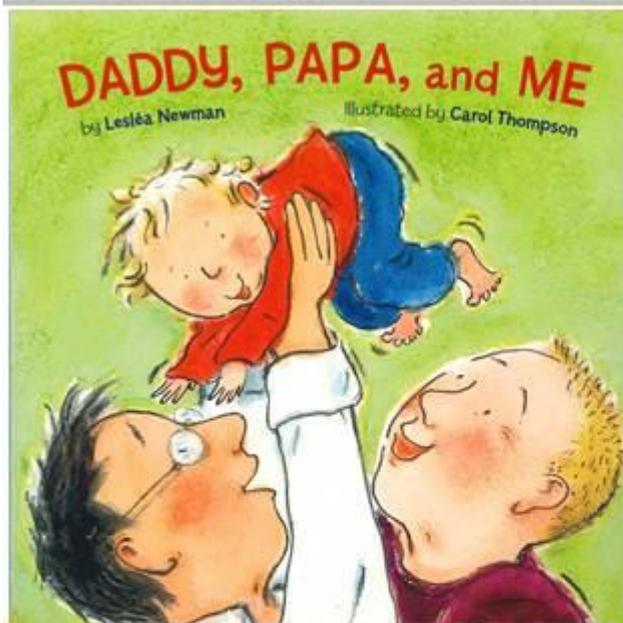

Yes, sir!

Then, the bathroom was washed by some students.
