A Million Dreams (Audio) Pink

I close my _____ and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home
They can say, they can say it all _____ crazy
They can say, they can say I've lost my mind
I don't care, I don't care, if they call me crazy
We can live in a world that we design
'Cause every night I lie in bed
The _____ colors fill my head
A million dreams are keeping me awake
