## Someone like you, Adele Live at the Royal Albert Hall

I heard that you're settled down  
 That you found a girl and you're married now  
 I heard that your dreams came true  
 Guess she gave you things, I didn't give to you  
 Old friend, why are you so shy?  
 Ain't like you to hold back or hide from the light  
 I hate to turn up out of the blue, uninvited  
 But I couldn't stay away, I couldn't fight it  
 I had hoped you'd see my face  
 And that you'd be reminded that for me,  
 it isn't over

Never mind, I'll find someone like you  
 I wish nothing but the best for you, too  
 "Don't forget me," I beg  
 I remember you said  
 "Sometimes it lasts in love,  
 but sometimes it hurts instead"  
 "Sometimes it lasts in love,  
 but sometimes it hurts instead"

You know how the time flies  
 Only yesterday was the time of our lives  
 We were born and raised in a summer haze  
 Bound by the surprise of our glory days  
 I hate to turn up out of the blue, uninvited  
 But I couldn't stay away, I couldn't fight it  
 I had hoped you'd see my face  
 And that you'd be reminded that for me,  
 it isn't over"

Never mind, I'll find someone like you  
 I wish nothing but the best for you, too  
 "Don't forget me," I begged  
 I remember you said  
 "Sometimes it lasts in love,  
 but sometimes it hurts instead"  
 Nothing compares, no worries or cares  
 Regrets and mistakes, they're memories made  
 Who would have known  
 how bittersweet this would taste?

Never mind, I'll find someone like you  
 I wish nothing but the best for you  
 "Don't forget me," I beg  
 I remember you said  
 "Sometimes it lasts in love,  
 but sometimes it hurts instead"

Never mind, I'll find someone like you
